

Introduction for Betsy Allen-Manning:LITFL

START HERE!!!

Have you ever wondered why some people get ahead in life and others don't?

Have you ever set out to achieve a task but didn't follow through with it?

Do you lack the focus, drive and discipline that it takes to finish what you start?

If your answer is yes to any of those questions....you're in for a treat!

- * **Betsy has appeared on CBS, NBC, FOX & ABC for her expertise on Leadership and Human Behavior.**
- * **She has written 3 books and is a featured author in the Amazon Best Seller, "Life in the Fast Lane".**
- * **She's worked as a leader for multi billion dollar corporations, such as Wynn Hotels and Disney.**
- * **She's developed training programs for some of the top companies in the nation.** (Including Toshiba, BMW and the US Dept. of Defense.)
- * **She travelled the world for over 12 years as a professional singer.** (By the way, if you ask her to sing, she may make you sing along with her, so be careful what you ask for!)
- * **And if that weren't enough, Betsy has been skydiving twice, bunji jumping, land sailing, walked across hot coal, broke a wooden arrow with her throat, jumped off the Stratosphere from 877 ft and climbed Mt. Marathon in Alaska.**
- * **Her passion is inspiring, and her energy is contagious, so get ready to catch some serious motivation....**

Please help me welcome.....Betsy Allen-Manning!!!!!
